

- Children learn about health, safety and personal hygiene through the activities we provide and the routines we follow.
- Any faulty equipment is removed from use and is repaired. If it cannot be repaired it is discarded. Large pieces of equipment are discarded only with the consent of the manager and the management team.

Jewellery and accessories

- Our staff do not wear jewellery or fashion accessories, such as belts or high heels, that may pose a danger to themselves or children.
- Parents must ensure that any jewellery worn by children poses no danger; particularly earrings which may get pulled, bracelets which can get caught when climbing or necklaces that may pose a risk of strangulation.
- We ensure that hair accessories are removed before children sleep or rest.

Safety of adults

- We ensure that adults are provided with guidance about the safe storage, movement, lifting and erection of large pieces of equipment.
- We provide safe equipment for adults to use when they need to reach up to store equipment or to change light bulbs.
- We ensure that all warning signs are clear and in appropriate languages.
- We ensure that adults do not remain in the building on their own.
- We record the sickness of staff and their involvement in accidents. The records are reviewed termly to identify any issues that need to be addressed.

Control of substances hazardous to health

- Our staff implement the current guidelines of the *Control of Substances Hazardous to Health Regulations (COSHH)*.
- We keep a record of all substances that may be hazardous to health - such as cleaning chemicals, or gardening chemicals if used and where they are stored.
- Hazardous substances are stored safely away from the children.
- We carry out a risk assessment for all chemicals used in the setting. This states what the risks are and what to do if they have contact with eyes or skin or are ingested.
- We keep all cleaning chemicals in their original containers.
- We keep the chemicals used in the setting to the minimum in order to ensure health and hygiene is maintained. We do not use:
 - bleach;
 - anti-bacterial soap/hand wash, unless specifically advised during an infection outbreak such as Pandemic flu; or
 - anti-bacterial cleaning agents, except in the toilets, nappy changing area and food preparation areas. Anti-bacterial spays are not used when children are nearby.
- Environmental factors are taken into account when purchasing, using and disposing of chemicals.
- All members of staff are vigilant and use chemicals safely.
- Members of staff wear protective gloves when using cleaning chemicals.
